What is
Momento LIVE?

Momento LIVE is an event platform where you can create amazing **virtual and hybrid events experience** for all your attendees.

Momento allows you to fully customize your event platform based on your strategy and branding. Set up the colors, modules and features to fit your event needs.

Live streaming directly from the platform

Stream like a Pro with no software required for either you or your speakers.

Multiroom videocalls for networking or workshops

Multi-People or One-on-One videocall rooms between the attendees.

Easy user experience and modular menus

Chat, Agenda, Speakers, Attendees, Sponsors, Networking among others.

Let your speakers interact with their audience

Interactive events with a chat, Q&A section and live polling without missing the streaming video.

What kind of events is
Momento LIVE for?

Hybrid events

Connect your live stage, and your live audience with your virtual audience.

Virtual events

Connect your event audience no matter where they are in the world.

Conferences

Organize conferences with multiple stages and workshops no matter if they are live, virtual or hybrid.

Networking

Networking rooms to allow your audience to create strong connections (1 to 1 or group) in an easy way and split by topics.

Webinars

Produce webinars from our all-integrated web studio without having to download any software.

Fairs

Design and host a fair where attendees can visit different booths and have a videocall with them.
